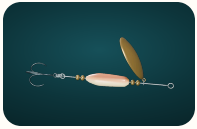
BOBERTO'S FISHING

THE 5 LURES TO START WITH

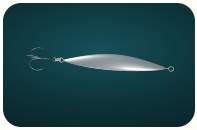
WHAT EACH ONE PRETENDS TO BE



INLINE SPINNER

Pretends to be **pure flash**

Reel it just fast enough to keep the blade turning.



SPOON

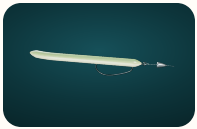
Pretends to be **a hurt baitfish**

Reel it to wobble, then pause and let it flutter down.

CURLY-TAIL GRUB

Pretends to be **a small minnow**

Reel it slow, or hop it off the bottom.



TEXAS-RIGGED WORM

Pretends to be **a worm**

Hide the hook point in it, and it crawls through cover.

POPPER

Pretends to be **a frog or bug**

Pop it twice, then let it sit.

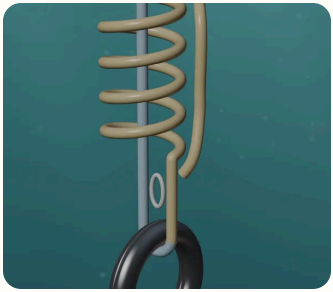
BOBERTO'S FISHING

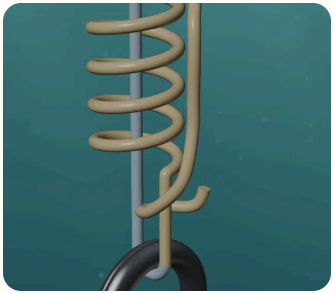
TIE IT RIGHT

THE IMPROVED CLINCH · ON MONO

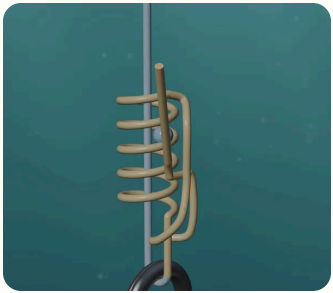
1 Pass the tag end through the eye.



2 Wrap it five or six times around the main line.



3 Back through the small loop, then the big loop.



4 Wet it. Pull both ends slowly till the wraps seat. Trim.

Fish safe. Check your license and local rules.
